

GOULBURN GOLD

Fancy Grade, grown in the south west Goulburn

*Perfect on the outside is not proof. She lays through unbroken skin
and the maggots work out of sight. Cut fruit open before you share it.
In a fruit fly district, giving away backyard fruit can gift the problem too.*

**PACKED BY CAREFUL GROWERS.
NETTED EARLY, TRAPPED WEEKLY, FALLEN FRUIT DESTROYED.**

**KINGS
PARK**

Seymour Show, Kings Park, 2 and 3 October.

**2 & 3
OCT**

NOT THIS SEASON.
